

2020 Online Ticket Fundraising Program

Dear Applicant,

Thank you for considering Water Country as your Fundraising Partner! Our fundraising program provides your organization the opportunity to earn an unlimited amount of money by selling discounted admission tickets to Water Country. We create a web page specific to your organization with a unique link that you distribute to your members. They, along with their friends, family, co-workers, and neighbors can use that link to purchase tickets anytime during your campaign period and your group earns \$5 for every ticket sold. It's that simple!

Please take a moment to carefully read over the qualifications for the fundraising program listed in the agreement. Please fill out the agreement completely and send it and the required documents to the address listed below:

Water Country
2300 Lafayette Rd.
Portsmouth, NH 03801
Attn: Fundraising Program

Be sure to read our helpful tips to make your fundraising even easier. We wish you all the success with your fundraiser and look forward to working with you to reach your fundraising goals!

Sincerely,

The Water Country Team

Helpful Tips!

- The fundraising tickets are valid any day during our 2020 summer season, which makes selling your tickets even easier. Our complete calendar of operating days/times can be found online at watercountry.com.
- Nothing could be easier than having your supporters purchase tickets online! Guests can print their tickets from home before coming to the park or scan their ticket directly from their smartphone.
- Water Country is open early June – Labor Day. Full schedule of operating days/times can be found online at watercountry.com
- General Parking is \$5.00 per vehicle; Preferred Parking is \$25.00 per vehicle. Parking can be purchased online at the time of ticket purchase or at the park upon arrival.
- Water Country allows guests to bring their own food & beverage into the park. However, for safety reasons we do not allow glass of any kind, knives, alcohol, or anything flammable (BBQs, grills, Sterno cans, etc.).
- For children Under 48" we suggest you bring a U.S. Coast Guard approved lifejacket that your child is comfortable with, as it will be required on most attractions. A limited number of complimentary life jackets are available in park on a 1st come basis.
- Don't let a cloudy day keep you away! Overcast days can be some of the best times to visit the park with smaller crowds and virtually no lines! If bad weather does cause us to suspend operations for more than one (1) consecutive hour during your visit and you decide to leave the Park for the remainder of the day, stop by Guest Relations as you exit and let them know you purchased your tickets online. They will look up your order and you will be issued a Rain Check to finish your visit for any day during the remainder of the summer season.
- Our website, www.watercountry.com, has lots of helpful information for anyone visiting the park for the first time!
- Remember, your organization earns \$5 for every ticket sold through your webstore!
